 eurekalert.org/terms

Welcome to www.eurekalert.org (the "Website"), the website of EurekAlert! and its publisher, the American Association for the Advancement of Science ("AAAS"). These terms and conditions (the "Terms of Service") govern your use of the Website. Established in 1996, EurekAlert! is a nonprofit news-release distribution platform operated by AAAS as a resource for journalists and the public. EurekAlert! hosts news releases produced by universities, journal publishers, medical centers, government agencies, corporations, and other organizations engaged in all disciplines of scientific research.

References to "we" or "us" in these Terms of Service means EurekAlert! and AAAS. The terms "you" and "user" as used in these Terms of Use refer to all individuals and/or entities accessing this Website for any reason.

1) Use of the Website

a) By using EurekAlert!'s Web-based news release distribution and its content hosting services available on the Website, you acknowledge and agree that you have read and understand these Terms of Service, and that you accept them and agree to be legally bound by them. Your continued participation on the Website indicates your acceptance of and signifies your agreement to (1) the Terms of Service, and (2) EurekAlert!'s Privacy Policy, available at eurekalert.org/privacy and incorporated here by reference. If you do not agree to any of these terms or the EurekAlert! Privacy Policy, please do not use the EurekAlert! Website.

b) Each time you visit the Website, you should visit and review the Terms of Service. AAAS may, at its sole discretion, modify or revise these Terms of Service and policies at any time, and you agree to be bound by such modifications or revisions. At such time we will also

revise the "last updated" date below. Nothing in this Agreement shall be deemed to confer any third-party rights or benefits.

c) These Terms of Service apply to all EurekaAlert! members who contribute or access images, audio, video or textual content and/or any other materials to the Website. Additional eligibility guidelines apply for [reporters/freelancers](#) and [public information officers](#) ("PIOs").

d) Although EurekaAlert! has no obligation to screen, edit, or monitor any of the User Submissions posted by PIOs, EurekaAlert! reserves the right to restrict, suspend or terminate without notice a user's access to the Website or any feature of this Website or any part thereof at any time. Membership, subscription and content submission requests from tobacco and alcohol industries will not be accepted.

e) The Website may contain the opinions and views of other users, which EurekaAlert! does not endorse and for which EurekaAlert! is not responsible. EurekaAlert! is also not responsible for the accuracy of any User Submissions or other content posted on the Website, and you bear all risks associated with the use of any content, including any reliance on the accuracy, completeness or usefulness of such content.

2) Other Terms

Some areas of this Website may have additional rules, guidelines, and/or terms and conditions that apply to your access and/or use of that area of the Website and that may be revised from time to time ("Other Terms"). If there is a conflict or inconsistency between any of these Terms of Service and the Other Terms, the Other Terms shall take precedence with respect to your access and use of that area of the Website.

3) EurekaAlert! Accounts

a) In order to utilize some features of the Website, you may have to create a EurekaAlert! account in the form of a free AAAS ID. You may never use another individual's account or share your account password. When creating your account, you must provide accurate and complete information. You are solely responsible for the activity that occurs on your account, and you must keep your account password secure. You must notify EurekaAlert! immediately of any breach of security or unauthorized use of your account. Membership, subscription and content submission requests from tobacco and alcohol industries will not be accepted.

b) EurekaAlert! will not be liable for any loss to you caused by any unauthorized use of your account. However, you may be liable for the losses of EurekaAlert! or others due to such unauthorized use.

4) User Submissions and Conduct

a) EurekAlert! PIO members with a valid annual or pay-per-use subscription to the News Release Distribution Service or other content submission services may submit images, audio or video content ("User Media Content") and textual content ("Text Content"). User Media Content and Text Content are collectively referred to as "User Submissions." You understand that whether or not such User Submissions are published, EurekAlert! does not guarantee any confidentiality with respect to any User Submissions provided to EurekAlert!, subject to these Terms of Service and any Other Terms.

5) Submission Guidelines

a) All User Submissions must comply with these Terms of Service. Images, audio and video content (the "Multimedia Content") may be submitted to the EurekAlert! multimedia gallery with or without an accompanying news release-like narrative ("Multimedia Release"), but all User Submissions must include a preferred credit line or attribution and information on terms of usage and/or permission requirements, if any. Multimedia Content must also include an explanatory caption.

b) EurekAlert! will include any requested credit or usage information provided by the submitting organization's PIO. In this way, submissions to the multimedia gallery may help to increase each submitting organization's visibility, by increasing research-news placements. We cannot guarantee, however, that all media outlets will faithfully adhere to credit-line or usage instructions in all cases. It is the sole responsibility of the submitter to enforce any credit-line requests or usage restrictions. Moreover, EurekAlert! cannot assume responsibility for multimedia content submitted by public information officers who have failed to secure proper permission to do so. Please see the [Image Terms and Conditions](#) section for more information about image use.

c) You are solely responsible for your own User Submissions and the consequences of posting or publishing them. In connection with User Submissions, you affirm, represent, and warrant that: you own or have the necessary licenses, rights, consents, and permissions to use and authorize EurekAlert!, AAAS, and the users of this Website to use all patent, trademark, trade secret, copyright or other proprietary rights in and to any and all User Submissions to enable inclusion and use of the User Submissions in the manner contemplated by the Website and these Terms of Service, including as may be set forth in the applicable User Restrictions.

d) For clarity, you retain all of your ownership rights in your User Submissions. However, by submitting User Submissions to EurekAlert!, you hereby grant to EurekAlert! a worldwide, non-exclusive, royalty-free, sublicenseable and transferable license to reproduce, distribute, transmit, adapt (including to prepare derivative works based on), publicly display, publicly perform, and otherwise use the User Submissions in connection with the EurekAlert! Website and EurekAlert!'s (and its successors' and affiliates') business, including without limitation for promoting and redistributing part or all of the EurekAlert!

Website (and derivative works thereof) in any media formats and through any media channels. You also hereby grant to each user of the EurekAlert! Website a non-exclusive license to access your User Submissions through the Website, and to reproduce, distribute, transmit, publicly display, publicly perform and otherwise use such User Submissions as permitted through the functionality of the Website and under these Terms of Service, including any applicable Usage Restrictions (as described in Section 6 below). The above licenses granted by you to User Submissions terminate within a commercially reasonable time after you remove or delete your User Submissions from the EurekAlert! Service. You understand and agree, however, that EurekAlert! may retain, but not publicly display, distribute, or publicly perform, server copies of User Submissions that have been removed or deleted.

e) In connection with User Submissions, you further agree that you will not submit material that is copyrighted, protected by trade secret or otherwise subject to third party proprietary rights, including privacy and publicity rights, unless you are the owner of such rights or have obtained prior written permission from their rightful owner to post the material and to grant to EurekAlert! all of the license rights granted herein.

f) If a human subject is depicted in any User Submission, including any Multimedia Content, you warrant that you have taken special care to obtain any appropriate release or permission for using the image or likeness on the EurekAlert! Website, and to have the image or likeness used as described in the *Submission Guidelines* or *Usage Restrictions* sections. Specifically, you will secure the right to use each such individual's name, portrait(s), picture(s), photograph(s), likeness(es), and biographical data and to use such content as part of the User Submission. No such individual will receive any compensation or receipt of consideration for the use of such image(s) or likeness(es) when provided to EurekAlert! as part of a User Submission.

g) You expressly agree not to post, upload to, transmit, distribute, store, create, or otherwise publish through this Website or any User Submission any of the following:

- Content that is unlawful, libelous, defamatory, obscene, pornographic, indecent, lewd, suggestive, disparaging, harassing, threatening, invasive of privacy or publicity rights, abusive, fraudulent and/or otherwise objectionable;
- Content that would constitute, encourage or provide instructions for a criminal offense, violate the rights of any party, and/or create liability under any law;
- Content that infringes any patent, trademark, trade secret, copyright and/or other intellectual property or proprietary right of any party;
- Content that impersonates any person or entity or otherwise misrepresents your affiliation with any person or entity, including with us;
- Unsolicited promotions, political campaigning, advertising, contents, raffles or solicitations;

- Private information of any third party, including (without limitation), surname, address, phone number, email address, Social Security number, and/or credit card number;
- Content or links to content that, in EurekAlert!'s sole judgement is objectionable, restricts or inhibits others from using the Website or Page, or which may expose EurekAlert! or its users to any harm or liability of any type;
- Content that appears to violate a third-party website's Terms of Use or any other policies or terms that govern use of the website or any applicable laws; or
- Content that name-calls, insults, taunts, ridicules, mocks, bullies, electronically stalks or otherwise harasses another user or attacks the character or damages or has the potential to damage the reputation of another user.

h) You further agree that you will not, in connection with User Submissions, submit material that is contrary to the EurekAlert! Editorial Guidelines, available at www.eurekalert.org/releaseguidelines, which may be updated from time to time; or is contrary to applicable local, national, and international laws and regulations.

i) EurekAlert! does not endorse any User Submission or any opinion, recommendation, or advice expressed therein, and EurekAlert! expressly disclaims any and all liability in connection with User Submissions. EurekAlert! does not permit copyright infringing activities and infringement of intellectual property rights on its Website, and EurekAlert! will remove all Content and User Submissions if properly notified that such Content or User Submission infringes on another's intellectual property rights. EurekAlert! reserves the right to remove Content and User Submissions without prior notice.

6) Usage Restrictions

PIO members may provide specific Usage Restrictions for a User Submission at the time it is submitted to EurekAlert! for posting. EurekAlert! will post such User Restrictions along with the User Submission, but reserves the right to edit the User Restriction or, should the User Restriction be found too limiting, to refuse to post the User Submission. You acknowledge and agree that EurekAlert! shall not be responsible for ensuring that persons who access a User Submission comply with any such User Restrictions, and that EurekAlert! shall not be liable in any manner as a result of any failure on the part of a third party to abide by such User Restrictions.

7) Use of Website Content and User Submissions
